

DIGITAL VIDEO EVIDENCE MANAGER

The Digital Video Evidence Manager is the ultimate way to Store, Search, Add note and Burn DVD's for court.

Search, Archive, View, add notes, Burn DVD's it's that simple! The Martel Digital Video Evidence Manager Program is included with the Martel MDE2 Police Digital in-car Video System, & every DVD Partner Police Digital in-car video system at no extra cost.

This Windows based utility program can be installed on a station computer or laptop to provide additional search, archiving and viewing for your fleet of Martel Police Car Cameras.

The Fleet Manager Utility Program provides tools for scrutinizing the video on SDHC flash cards and is tool for retrieving and securing evidence. The Digital Video Evidence Manager Program allows for quick and easy searching of video. Searches can be done by time and date, Officers name, Car number, or event notes. For example you have on your computer 6 months of video, you just open the Digital Video Evidence Manager Program, click search, type the time of the stop and presto you have the exact video file playing.

Snapping Digital Photos. With the Digital Video Evidence Manager Program you can freeze frame the video and simply press print to get the exact digital photo you need for court.

DIGITAL VIDEO EVIDENCE MANAGER, FOR PLAYBACK, SEARCHING, ARCHIVING, ADDING ID NOTES AND BURNING DVD'S.

Security: The Digital Video Evidence Manager program has a built in Passwords & log management audit file. The police chief or administrator can set passwords for officers to watch video, add notes and burn DVD's but they cannot delete the videos or the log file. The chief has full permissions.

The screenshot displays the 'Digital Video Evidence Manager Enterprise Software' interface. The main window shows a video of a white police car with 'POLICE' written on the back. The video player includes a timeline at the bottom with playback controls and a volume icon. The interface is divided into several sections:

- Header:** 'Digital Video Evidence Manager Enterprise Software' and 'www.MartelDigital.com'.
- Navigation:** 'User Management' and 'Log Management' tabs.
- Video Information:** A table showing 'Start Time' (11:22:50), 'End Time' (12:00:50), and 'Duration' (00:38:28). It also lists 'Vehicle' (54) and 'User' (Officer Smith).
- Search Results:** A list of video files with columns for date and time, such as '2008-12-22_10-18-13' and '2008-12-22_11-11-24'.
- Metadata:** Fields for 'Event ID' (Wanted Suspect) and 'Save Video Unit' (1/ 2/2009).
- Actions:** Buttons for 'Print Image' and 'Map Folder'.
- Buttons:** 'Import Video from Removable card drive' and 'Search Video'.
- Footer:** A 'Burn Media Information' section.

Additional text on the screen includes 'Sgt. Smith Car 54', '3352.5959 N 11743.8183', and 'WLBG'. A red banner at the bottom right says 'Need more Licensed Copies of this program Click here' and 'Want to Transcrib Video Click here'.
