

Peerless® Chain Link Handcuffs

Model 700 - Nickel Finish

The Model 700 now incorporates spun rivet construction for increased strength and durability. Nickel Finish.

Model 700 - Pentrate Finish

The Model 700 now incorporates spun rivet construction for increased strength and durability. Pentrate Finish.

Model 750 - Blue Plated Finish

The classic design now available in a blue finish. The color finish helps to prevent equipment loss by allowing individuals, agencies or departments to more easily identify and track property.

Model 750 - Red Plated Finish

Color can be used to enable or reinforce a classification system such as threat level, medical condition, jurisdiction and more.

Model 750 - Pink Plated Finish

The color coating is applied using a process called Electrolytic Polyurethane Plating (EPP).

Model 750 - Orange Plated Finish

EPP fully coats restraints inside and out without interfering with the lock mechanism or jaw swing-through.

Model 750 - Yellow Plated Finish

The Model 750 has been approved by the National Institute of Justice. It comes with a lifetime warranty for manufacture defects.

Model 7030 - Oversize

The Model 7030 is designed specifically for larger individuals or special security applications.
