

L.E.D. Push Bumper

- Available in three light configurations: All Red, All Blue, or Half Red Half Blue

L.E.D. Push Bumpers

Pro-gard™ L.E.D. Push Bumpers offer superior design and ease of installation. Most of our push bumpers are installed with our patented no holes drilled no trim cut installation. The LED Push Bumper will include an integrated Whelen® Dominator™ L.E.D lightbar, platform for auxiliary light and speaker mounting, and a powder coated finish will keep the push bumper as new looking as the day it was installed.
