Accessories

From swivel hooks to carry bags and backpacks, QUIKSTEP™ foldable ladders have a number of accessories to enhance your department's operational capabilities.

Swivel Hooks

Placed in any of three different positions – stored, standoff and hanging – this accessory provides more versatility. Swivel hooks are constructed of 3/4 inch steel rods and weigh a total of 5 pounds. Swivel Hooks offer improved storage capabilities, additional stand-off and improved functionality.

Backpack Harness

Leave your hands and arms free for other tasks – three quick release buckles with adjustable straps hold the QUIKSTEP™ ladder securely to the Backpack Harness and allow for rapid removal. The user does not have to remove the backpack to accomplish this.

Shoulder Strap

The shoulder strap features two-inch, high density nylon webbing and a fully adjustable metal slider for hands free maneuverability and comfort.

Carry Bag

Comes in black or safety orange.

Also Available

Web Ladder

Lightweight and strong, the web ladder offers speed, “climb ability” and is available in 15-foot and 25-foot lengths. Two widths are available – single rung and double rung. Both feature an 8-inch, semi-rigid rung which includes a 1/2 inch diameter aluminum rod sewn in to keep the rung from collapsing around the climber's foot.
