## **PRODUCT BROCHURE**

### **Thunderer Polished Nickel Police Whistle**

Small Polished Nickel Police whistle with tapered mouthpiece produces a high pitch, an ACME classic. AC-60.5NP

### **Thunderer Polished Brass Police Whistle**

Small Polished Brass Police whistle with tapered mouthpiece produces a high pitch, an ACME classic. AC-60.5PB

### **Cyclone Pealess Plastic Whistle**

A high pitched, pealess whistle from the makers of the Thunderer. AC-888

### **Tornado 2000 Pealess Plastic Whistle**

The extra high frequency of Tornado 2000 hits heights not reached by any other whistle. This higher pitch gives greater penetration and creates a crescendo of sound that cuts through even the greatest crowd noise.. AC-T2000
